

**Association of the United States Army  
2011 Annual Meeting & Exposition  
Exhibit Space Draft**

Memorandum To: AUSA Sustaining Members  
From: Michael M. Scanlan, CMP, Director, Industry Affairs  
Subject: **2011 AUSA Annual Meeting Exhibit Space Draft**  
Date: 5 October 2010

The purpose of this memorandum is to inform Sustaining Members of the opportunity to reserve exhibit space for the 2011 Annual Meeting, and to provide details regarding the policies and procedures for the selection of space.

**The 2011 Annual Meeting Exhibit Space Draft will be held 25-27 October 2010, from 9:00am – 5:00pm on each day, in the AUSA Exhibit Sales Office, located just beyond the AUSA Registration area in Room 102 at the Walter E. Washington Convention Center.** The AUSA will again use EXPOCAD event management software to facilitate the selection process.

***Please be advised that this is a new location for the space draft.***

The Annual Meeting will be expanding in 2011 to include the upper floors of the Walter E. Washington Convention Center (Halls D&E.) This will add over 200,000 square feet of exhibit space to the event.

We have given a great deal of thought to this move and its potential for an even better Annual Meeting. As we move into a larger venue, it is important to maintain the value of the Annual Meeting for all participants. To secure this value, the two levels of exhibit space must be balanced, so that there is no perception that one floor is “the main show” and the other is an afterthought.

As you may know, to accomplish this balance, AUSA has implemented The Centerpiece Program. The top 20 Sustaining Member companies on the Order of Merit List (OML) - which is used to determine the order in which space is booked - also represent most of the largest commercial exhibits.

These 20 Sustaining Member companies will alternate between the two levels each year. Additionally, some of the largest U.S. Army exhibits will alternate between the two levels every other year. This will maximize potential exposure for our commercial and military exhibitors each and every year, and will help distribute traffic on both floors each and every year. Along with the increase of exhibit space, this plan will provide more opportunities and better exhibit space for all of our members.

A pre-draft for these 20 Sustaining Members was held on 8 July 2010. You can see the results of this at the following URL: <http://www.expocad.com/host/fx/ausa/11ausa/default.html>.

Adding Halls D&E on the upper level will permit Sustaining Member companies to grow their display. As you know, in 2008 AUSA had to implement a number of policies in order to freeze the show because increasing booth size across the board was reducing the total number of members that could get into the show. These restrictions are now lifted.

***The following policies will apply to the selection of exhibit space for the 2011 AUSA Annual Meeting:***

- The AUSA Annual Meeting & Exposition remains a Members Only Show
- Sustaining Member Companies may book space on both floors
- The maximum booth size allowed for each Sustaining Member exhibitor will be 14,000 square feet
- The minimum size required to secure island display space will be 1000 square feet
- Booth dimensions that cause aisle displacements will not be permitted (example, 30'X30', 30'X60', etc.)
- 20% of the available exhibit space will be pre-booked and allocated to U.S. Army organizations

As in the past, AUSA will allocate exhibit space based on the OML ranking for each Sustaining Member exhibitor. The schedule for the 2011 Annual Meeting exhibit space draft follows this memorandum.

Please arrive no sooner than 10-15 minutes prior to your scheduled start time. Because of limited space we ask that only your authorized representative be present. At your scheduled start time you will be directed to an AUSA representative who will assist you in the space selection process.

Sustaining Members who wish to participate in the 2011 Annual Meeting but are unable to attend the exhibit space draft must authorize AUSA to select space for their firm via proxy. A short reply form follows this memorandum. **If we do not hear from your company, we will assume that you do not wish to have exhibit space at the 2011 Annual Meeting. Even if you plan to have a representative present at your scheduled start time, you must return the reply form NLT Thursday, 14 October 2010.**

Each exhibitor will be given a copy of the contract for exhibit space. Based upon the contract, your firm will be invoiced in early January 2011 for the value of the selected space. Payment will be due NLT Friday, 18 March 2011. The exhibit space contract serves as the only official method to reserve exhibit space for the 2011 AUSA Annual Meeting.

The cost for exhibit space at the 2011 Annual Meeting will be \$47 per square foot, the same price it has been for the last three years. Each single booth measures 10'X10' or 100sf total. The ceiling height in Halls A, B, C, D & E will support multi-level displays. In addition to the cost for the ground level, multi-level displays will be charged 25% of the floor rate for the total occupied space on the 2<sup>nd</sup> level.

There will be no outdoor displays at the 2011 Annual Meeting. Halls A, B, C, D & E will support any equipment you wish to display.

To contact AUSA regarding exhibit space for the 2011 Annual Meeting, please call Rand Meade or Mary Wille at (703) 841-4300 ext. 393 and 385 respectively, or e-mail [rmeade@ausa.org](mailto:rmeade@ausa.org) or [mwille@ausa.org](mailto:mwille@ausa.org).
