

FISHER HOUSE

Serving Military and Veterans' Families in Their Time of Need

Help Our Heroes
In Their Time Of Need

THE FISHER HOUSE PROGRAM provides a “home away from home” for families of patients receiving medical care at major military and VA medical centers. The homes provide free temporary lodging so military and veterans’ families can be close to their loved ones during a medical crisis.

Recognizing the special sacrifices made by our men and women in uniform, and their families, Fisher House Foundation helps by meeting a humanitarian need outside the scope offered by the Departments of Defense and Veterans Affairs. This is a unique program, a private-public partnership to support America’s military heroes, both veterans and active duty service members, in their time of need.

With your generous help, we will continue our mission.

HELP US BUILD

Each Fisher House is located on the grounds of major military and VA Medical Centers in the United States, as well as locations in Europe. Our houses provide a comforting, first-class “home away from home” while loved ones receive care in an unfamiliar environment – all at NO COST to the service member or their families. This special support is very important during the most stressful time — the hospitalization of a loved one. Each Fisher House provides all the comforts of home — a spacious dining, living, laundry and family room, kitchen, and private bedrooms for families to retreat and rejuvenate after a stressful day at the hospital. While the road to recovery is different for every family, one thing remains the same — Fisher House is there to provide comfort and compassion.

OUR STEWARDSHIP RECOGNIZED

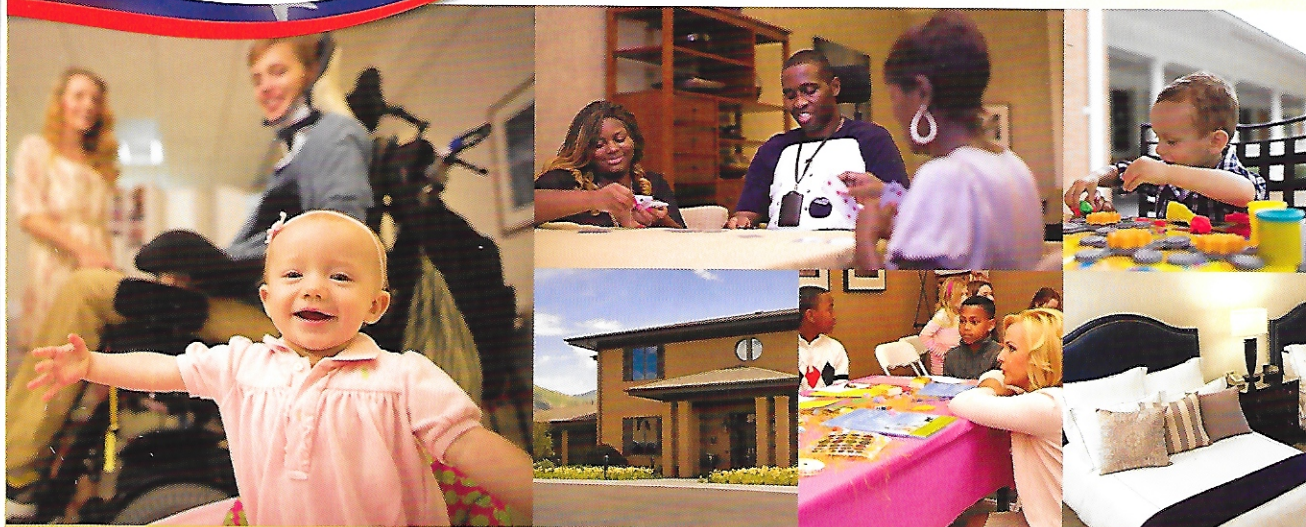

We could not be prouder to be recognized as a highly rated non-for-profit 501(c)(3) organization. Fisher House Foundation has held a four-star Charity Navigator rating, and we are one of a handful of military charities to receive an A+ rating from the American Institute of Philanthropy.

200,000 to Date

• Lodging Days Provided: Nearly
5.2 MILLION

• Average Length of Stay: **10 DAYS**

A "HOME AWAY FROM HOME"

A long-term stay in a military hospital, sometimes thousands of miles from home, can easily lead to expensive lodging and food costs for loved ones wanting to be close by, and part of the healing process. Through the kindness of donations received, Fisher House Foundation provides comfort homes, each offering a warm, compassionate environment where families can find support and encouragement from others in similar circumstances. These custom-built houses are typically between 5,000 and 16,000 square feet, and feature eight to 21 guest suites each. All are professionally decorated and beautifully furnished.

HERO MILES

Fisher House Foundation operates the Hero Miles program by using donated frequent flyer miles to transport family members to the bedsides of injured service members. To date, this program has issued over 45,000 airline tickets. Flights are made possible through the donation of frequent flyer miles made by the public.

HOTELS FOR HEROES

This program provides hotel rooms for wounded, injured or ill military service members who are undergoing treatment at an authorized facility where a room at Fisher House is not available. Rooms are made possible through rewards points by the public.

• Average Length of Stay of
Combat Casualties: **45 TO 60 DAYS**

• Volunteer Hours: More Than
70,000 PER YEAR

• Estimated Cost Savings for Participating Families
to Date: More Than **\$235 MILLION** in
Lodging Fees, Subsistence Cost
and Transportation Expenses

The statistics in this graphic are calculated since Fisher House program inception.

E" FOR OUR HEROES

PLEASE HELP US MAKE A DIFFERENCE

Through the kindness and generosity of the public we have made great strides towards helping our wounded, injured and ill service members and their families. But we refuse to rest until all medical centers and hospitals with a recognized need have the resources only a Fisher House can provide. Join us by supporting Fisher House Foundation. Every donation makes a difference.

STRONG FOUNDATIONS

A COMPASSIONATE VISION

In 1990, Zachary and Elizabeth Fisher founded the Fisher House program as a way to give back to America's brave military heroes. By the time of Mr. Fisher's passing in 1999, a total of 24 homes had been constructed for the military and VA. Fisher House Foundation is led by Ken Fisher, Zachary's grandnephew, and his wife Tammy.

BUILDING ON OUR COMMITMENT

The public's generosity has allowed us to become an integral part of the healing process to over 200,000 military families. With houses across the country and in Europe, with more to come, it is clear that our mission continues until the need is met.
