

## President's Message & 2019 Winter Newsletter

March 25, 2020

Dear AUSA Monmouth Chapter Members,

This past calendar year ended with yet another impressive Winter Quarter for the Monmouth Chapter. My goal for 2020 is to re-capture our Best Chapter status that we narrowly missed in 2019 as Runner Up and, with your continued help, I am confident that we will be successful. I thank all of you for what you have done this past year to make your AUSA Monmouth Chapter the best that it can be.

To see what your Chapter accomplished during the past Oct – Dec 2019 quarter, please see our attached [2019 Winter Newsletter](#) published by Mr Charles Seal, AUSA Monmouth Chapter Newsletter Editor and Ms Kaitlin Kenny, our Graphic Designer with Solaire Creative, a Community Partner of the AUSA Monmouth Chapter. In it you will find many interesting and newsworthy articles.

I look forward to seeing you at our upcoming 2020 events that will be scheduled throughout the year so monitor your emails, our Chapter website and your Facebook and Twitter Accounts.

As always, your past and continued support to our AUSA Monmouth Best Chapter 2016-2018 and Runner-Up in 2019 is very much appreciated. I praise your dedication and I send to you and your family my heartfelt gratitude and best wishes.

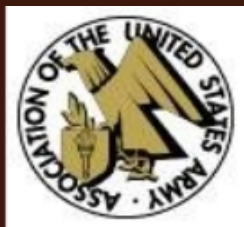

A few words about the Coronavirus (COVID-19) that is continuing to disrupt our lives. During this difficult and unprecedented time, I encourage you to use extreme caution and adhere to the best practices put forth by the health experts. Please be sure you put your own health and the health of your family first. The bottom line is that we all remain acutely vigilant about this serious crisis.

We deeply care for each of you in our community and in this time of such uncertainty, we want to ensure that you know our thoughts and prayers are with you. We have faced down enemies, foreign and domestic, throughout our nation's history.

While this threat is ominous, we will once again work together to overcome it. Take care of yourself and each other and we hope to be back to our normal lives soon!

Be safe and stay healthy.

Sincerely,  
Colonel Samuel Fuoco, USA, Retired
