

Oktoberfest

First Region and European Region Leaders,

It is time to join us at the combined First / European Region Hooah Tent at the Army Ten-Miler. This race is second largest ten-mile race in the United States, and it serves as the kick-off event for the Annual AUSA Conference in Washington DC. This year, we are celebrating over two decades of partnership between the European and First Region with an Oktoberfest themed Hooah Tent. There will be plenty of roast pork, sauer kraut, pretzel and even a few gummy bears for all who join us.

****Sorry, Pentagon rules say that we can't serve beer.****

To celebrate right, we need your help. It's time that all of our region leaders show up too so you can cheer on your favorite team or individual runner.

We will have many distinguished international guests from Europe and the Middle East as well as the famous U.S. Army Europe Running Team. We may even be visited by the Ukrainian Ambassador to the U.S.

So get on the bus, metro, cab or Uber early (0600-0700) Sunday morning on October 8th, and head on over to the Pentagon parking lot and join us. Find out what it's like to be part of the action and at our nation's premier road race, the Army Ten-Miler. Make sure you get there early you don't want to miss this great event!
