The Honorable John Cornyn

Dear Senator Cornyn:

On behalf of the members of the Association of the United States Army, I write to support your introduction of the Military Tax Equity bill that would create parity between military personnel and their civilian counterparts, in regard to certain portions of the Internal Revenue Service tax code. This legislation protects individuals serving in combat from an unnecessary extension of IRS collection activity. Additionally, the fiscal impact over ten years is less than \$3 million.

The Association is pleased to offer its support for this legislative initiative. Please do not hesitate to contact us if we can provide additional assistance.

Sincerely,

GORDON R. SULLIVAN
General, USA Retired
